(d) the time by which the work is likely to be completed on the project?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS (SHRI BANDARU DATTATRAYA)

(a): Yes, Sir.

(b) to (d): A new halt station has been sanctioned recently at Nahur between Bhandup & Mulund stations in Mumbai.The sanction is, however, subject to provision of land by the State Government free of cost/at nominal charges. A formal proposal for acquisition of 1745 square metre of land and making it available to the Railway by State Government has been submitted to the State Government.

As the whole proposal is dependent upon the availability of land which is yet to be provided by the State Government, no specific details regarding funds, time frame, etc. can be furnished presently.
